# How to Use:

## Bring the World into your classroom

- I use these as companions to my culture lessons, country research, virtual Google Earth field trips and Skype in the Classroom explorations. Students can conduct research, take notes, and complete reflections on your classroom travels with this fun and easy-to-use passport bundle!
- For the Original Size Passports and Inserts, simply fold **HORIZONTALLY**, then fold **VERTICALLY** and your cover is complete.
- For the Large Size Passports and Inserts, simply fold covers vertically and add inserts. Staple if desired.
- For Black and White covers, allow students to color their passports any color they wish for an additional touch of personalization.
- For Passport “stamps,” find some great ones on TpT or have kids create their own stamp design to represent the country!

Visit [TheTeachersPassport.com](http://TheTeachersPassport.com) for more suggestions on how to bring the world into your classroom!
